Chamber Holds Special Meet

The newly organized Crawford County Chamber of Commerce will hold a special Board of Directors meeting at the Grayling City Hall at 7:30 p.m. this Friday night. The board met in regular session at the City Hall last Wednesday evening.

The session was called to order by Vice-president James Witte in the absence of President Ralph Hoffman. A discussion was held on a temporary budget to cover the period from January 1 to September 1 this year. The Chamber plans on making their calendar year from September 1 to September 1st.

A lengthy discussion was also held on the drawing up of a brochure telling of the tourist, hunting, fishing and natural attractions of the country. Chairman Witte appointed Russell Allen as chairman and Thomas Welsh and Herbert Wolff as members of a committee to investigate the problem. Dr. Edward Rodda was appointed to contact the United States Chamber of Commerce for an application for membership and any information that might aid the new group in their rebirth.

NOTICE

Democratic Club dinner and dance, Monday, January 24th, 8:00 P.M. at Roy Scott's Bar, Lovells. Tickets \$1.00 per person. May be purchased from Spike MacNeven, Grayling; Anita Lozon, Frederic; or Roy Scott in Lovells.

Rep. Emil Peitz To Crown Queen

The selection of Miss Grayling of 1955 and her court of honor has definitely been set for next Tuesday, January 25, according to Ray Trudegeon who is in charge of the affair.

It had been first announced that she would be selected this week and presented at a dance this Saturday night. The heavy press of events for the March of Dimes made a substitute date almost imperative.

Three out of town judges will make the selection at Shoppington's Inn next Tuesday. Mr. Trudegeon said with her presentation to the public at a dance at the warming house at the Grayling Winter Sports Park the following Saturday.

On Sunday, January 30, she will be crowned by State Representative Emil Peitz of Rogers City. On that same week end, about 150 Wayne University students are expected up for winter sports.

As in the past, the Grayling Queen will be selected from a group of Grayling High Senior girls at will her court of honor consisting of four other Grayling young ladies.

Over 200 winter sports fans enjoyed almost ideal winter sports weather at the park last week end. Park Manager Lacey Stephan announced. Skf slopes were in excellent condition from the new fallen snow and skating and tobogganing were reported extra-ordinarily good.

The park is in the top shape and another good week end with an even larger crowd is looked forward to.

Kiwanis Club Notes

Rev. Robert L. Fleming, Ph.D., who is currently in this country from a medical mission in Nepal near the foot of Mount Everest was the speaker at Monday night's meeting of the Kiwanis Club of Grayling held at the Lone Pine Inn.

The speaker was introduced by Fred Welsh, Jr., who was in charge of the meeting.

The Rev. Fleming, is a Methodist Missionary who is serving as superintendent of the new United Medical Mission in seldom-visited Nepal near Mount Everest. This Mission was opened in January 1954, with permission of the Nepalese government which has in the past been reluctant to allow foreigners to visit that country. Permission was granted for five-mission-supported maternal and child health centers. The doctor pioneering this service is Mrs. Beulah Fleming, M.D., wife of the superintendent.

An expert in ornithology, Mr. Fleming has made an intensive study of the bird life of Nepal, discovering some rare specimens not before known to science. He plans to do research at the Chicago, Ill., Museum of Natural History while on furlough. He is author of "India, Past and Present," published in 1948. A native of Ludington, Michigan, he graduated from Albion College, received his M. A. from Drew University, and his Ph.D. from the University of Chicago.

Plans are as yet incomplete for the Kiwanis Club of Grayling to observe its 20th birthday which almost coincides with Kiwanis International's 40th birthday. Both events will be celebrated by the club in the near future, President Leslie Hunter stated.

President Hunter also reported on the Mid Winter Conference of Michigan Kiwanis held in Jackson recently. He told of the various sessions held and of the retirement of last year's officers and the installation of the 1955 officers. Past Lt.-Governor Earl Burns took part in this part of the program. President Hunter also reported that Arthur Clough of the Grayling club had been appointed to the Michigan District Committee on Conservation and Agriculture.

At Lovells, two dinners have been set up for the benefit of the Crawford County March of Dimes. The first will be held at Roy Scott's bar on Saturday night, January 22. The second dinner is scheduled at the Lovells Community Building on Saturday night, January 29.

Grayling High School students are aiding the March of Dimes through their student council by washing cars at Dick's Speedway Service, Grayling Gulf Service, AuSable Service Station, Vince's Shell Service, Knibbs Texaco Service and Hough and Dewitt's Pure Oil. The car wash will take place on Saturday, Jan. 22 and all proceeds for the day will be turned in to the polio fund.

In eight different matches between men and women bowling teams rolling for the March of Dimes not a single men's team was able to defeat their supposedly "weaker" opponents. In fact in two matches the women defeated the men without the benefit of handicap.

The mighty Speedway 79 last

year's city champions were snowed under 2030 to 197 by the Alley Kats who were able to add a handicap of 243 for a total pinfall of 2279. Spike's ladies team dropped the Pure Oil team, first half league champs 2307 to 2140. The ladies still could add a spot of 45 to total 2352.

In other matches St. Mary's Ladies totaled 2120 to the St. Mary's men's 2010. Hanson's Chevrolet ladies rolled a total of 2283 to the Hanson's Chevrolet men's 2271. AuSable River ladies team spilled 2226 pins while their men counterparts totaled but 2141. The Altes ladies team scored 2571 while the men totalled only 2323. The Snow-Bums totalled 2162 against the men's team's Snow-Bums total of 2106. The Bear Archery women's team totalled up a three game pinfall of 2448 while their husbands bowling as Spike's Keg O'Nails scored only 2329 in three games.

On the next two Monday nights more men are scheduled to be put in their place with the proceeds going to the Crawford County March of Dimes.

Traffic Violator In County Jail

Leon E. Granger, 19, of Grayling is in the Crawford County Jail as a result of his arrest on a traffic charge. Granger was arrested last Saturday by Grayling Chief of Police Harold Hatfield.

Jr., on a charge of speeding and running a stop sign.

Brought before Justice of the Peace Arthur Clough that same day, Granger pleaded guilty to the charge. Justice Clough fined Granger \$10 on ten days. The youth elected to serve the time and was remanded to the Sheriff's custody.

Methodist Mens Club Elect Officers For 1955

The Methodist Mens Club at their January meeting on Wednesday, January 12th, elected a new Board of Directors for the ensuing year consisting of Carl E. Johnson, Don Gethron, George Slingkey, Harvey Rowland, Charles Holtcamp, Harry McEvans, and James Lamy. This Board of Directors, meeting immediately following the regular business meeting and presided over by outgoing President Barney L. E., elected

Polio Fund Events

Among the money raising projects for the polio drive will be a dance sponsored by St. Mary's Ladies Club on Saturday evening, January 22nd. Dancing will be from 9 till 1 at St. Mary's Parish Hall. There will be both square and round dancing. Music will be furnished by Mrs. June Taylor and Wesley Kumpula.

On Wednesday, January 26, a free steak dinner is being offered at Horseshoe Lake Inn on US-27 between Grayling and Gaylord. There will also be free music and dancing. Each person is asked to donate \$2.00 for the dance-and-dinner-all

of which will go to the Crawford County March of Dimes.

Mickey Novak will be the host for the affair. This is another on the list of many events that Mickey has sponsored for the March of Dimes. The Holcomb orchestra is furnishing the music for dancing without charge to make the affair more complete and enjoyable.

The ladies of the Maple Forest Home Extension Group are sponsoring a chili supper on Friday, January 21 for the benefit of the March of Dimes.

Many Grayling merchants are offering special bargains in a combined advertisement appearing in this week's Avalanche. The Crawford County March of Dimes will benefit to the extent of better than \$300 from the promotion. Each merchant will pay \$10.00 for space in the advertisement, all of which will go to the polio fund as the space is being donated by the Avalanche.

Jack Wilson was in charge of the solicitation of the merchants.

Two File To Run

In April Election

Governor G. Mennen Williams has appointed Mrs. Beulah Neafie wife of the late Probate Judge Robert F. Neafie, to fill out his unexpired term which will terminate at the April election.

Mrs. Neafie was notified by telephone from Lansing of the appointment last Tuesday and expects her official commission by mail this week. Roscommon County Judge of Probate James Rettew has been acting Crawford County Judge of Probate since the death of Judge Neafie on October 29th, 1954.

Mrs. Neafie has filed with the County Clerk her signed petition to run for the office in the April election. Former Probate Judge Ray E. Clement has also filed his petition to run in the April 4th election.

Mrs. Otto Peterson is acting County Agent for the Probate Court during the absence of Mrs. Bert Norby who is out of the city.

Saturday, January 22nd will also be Coffee Day in Grayling. Every business place serving coffee and doughnuts will turn over all proceeds to the March of Dimes from coffee and doughnut orders that day. The doughnuts are being donated by the Michigan Bakery and Cafe Corp.

Sugar will be donated by the Black and White Grocery while Hunter's AuSable Diner will donate the cream for the day.

During the remainder of the month, Olson's will fix any tear or rip in your shoe and pay you for the repair will be turned over in full to the March of Dimes.

On Saturday, January 28th, a special matinee will be offered at the Rialto Theatre. Doors will open at 2:15 with an hour length movie to start at 3 p.m. followed by one hour of magic and entertainment featuring Stephens, one of the best magicians in the business. Real live entertainment on the stage plus the movie with all proceeds to the March of Dimes.

All dimes placed in the juke box, shuffleboard and bowling machine of Spike's Keg O'Nails from Monday, Jan. 24th through Jan. 30th will go to the March of Dimes. Spike is also planning a big party at his spot from which 100 percent of the sales will go to the March of Dimes. Sounds like a chance to have a real good time and to aid a most worthy cause at the same time.

Presiding was Mrs. Bernard

Sargent of West Branch, District Chairman, with an address of welcome being given by the chairman of Volunteers of Otsego County, Mrs. Frank Stipp.

Speakers were Dr. G. L. McKillip, Gaylord and Dr. D. C. Burns, Petoskey.

Mrs. George Herman, chairman of Montmorency County; Mr. Nathan Barkman, Campine, chairman of Iosco County; Mr. J. Russell Hughes and Mr. Paul W. Butterfield, who were to speak were unable to be present.

Representing the Division's Grand Rapids headquarters were Mrs. Harold Cornelius, executive secretary; Mr. Eugene Peterson, field representative; and Miss Karen Murdoch, public relations director.

Representing the Society on a national level was Mr. Donald E. Johnson of Flint, who has recently been appointed Director-at-large, and member of the Executive Committee for the National American Cancer Society.

Mr. Miller, who makes his debut as Michigan's 1955 campaign chairman, was recently appointed by Mr. Waldo L. Stoddard, of Grand Rapids, president of the Division.

In accepting the post he lauded the 50,000 volunteers that have made the ACS program possible in Michigan. "However, I hope that this year the number will be doubled to carry the ACS lifesaving message into every Michigan home during the coming year," he said.

G.O.P. Seeks New Program

Republicans Are Clearing Away
the shambles of defeat in the November election and making ready to live with Democrats in control of the state administration.

Bitterness has been replaced by a determined move in the House to outshine the Democrats.

House Speaker Wade VanKalken (R-Kalamazoo) is the chief sounding board of the new theory. Following a caucus of Republicans he said:

"We've got to stop being anti-Democratic and be more pro-public. We're interested in developing a better program."

Signs multiplied as legislators gathered for the 1955 session that Republican majority leaders would take a close look at Gov. Williams'

recommendations, then draft their own goals.

Already, one Republican senator is working up a highway bond issue proposal, grabbing the ball back after Williams intercepted it during the 1954 campaign.

Senator Haskell L. Nichols (R-Jackson) has sponsored a proposed constitutional amendment for a \$500,000,000 bond issue for highway construction.

The controversy started last year when Senator Joseph C. Cooch (R-Wakefield) sponsored the idea. After it was kicked around, Williams pleaded for its passage on the last day of the session.

Republicans ignored him to await a complete survey of Michigan's highway needs, the first

since 1947. Williams made it a campaign issue on a "do-it-now" platform and the issue remains.

Republicans are still determined to wait for the survey now being made by the Automotive Safety Foundation. Williams still wants immediate action.

Senator Creighton R. Colman (R-Battle Creek), majority caucus chairman, said immediate action is impossible and insists on a detailed plan to finance the bond issue.

"Without a financing plan, it's a fraud on the public," he said.

Food For The Needy in Michigan has been flowing into the state from Federal surplus commodity warehouses for the past five months.

Official figures show the market value of the free food has reached \$2,185,161.

"The food goes to the people who need it most — those on the relief rolls," said a state official.

The program was started as a means to prevent spoilage and deterioration of Federal surplus and to improve the diet of those getting public assistance anyway.

In the shipments of the first five months, the state has received 835,200 pounds of print butter; 455,585 pounds of bulk butter; 504,800 cans of beef and gravy; 540,000 pounds of process cheese; and 208,386 pounds of natural cheese.

Welfare officials are jubilant about the program, which improves their services to the needy without additional loads on the taxpayer.

The taxpayer? He's happy, too, to know that surpluses from the farm price support program are not going to waste.

Another boon for welfare clients is in the making as the legislature meets for the 1955 session.

Already drafted is a bill which would increase the maximum Old Age Assistance checks from \$70 to \$80 a month, the first increase since a \$10 boost in 1952.

"Some of these people just can't live on \$70 a month," said Welfare Director W. J. Maxey.

The maximum goes to those over 65 years old who have no other income and, Maxey said, the increasing costs of rent and medical care make the increase "only close to adequate."

In addition, the increases for old age recipients is a forerunner of a general increase for those receiving aid to the blind and aid to the disabled.

The cost to the state is expected to reach \$2,500,000 a year. The Federal government contributes the first \$35 to \$55 of the present \$70 a month maximum grant.

It happens at least once every year the flag flies over the Capitol upside down.

It's never planned that way, though. Some sleepy custodian makes a mistake and all sorts of bad jokes are made — because the upside-down flag is an international signal of distress. Ask any sailor.

It happened again, just two days after the Nov. 2 election.

"Maybe the Republicans were in distress, but it was still a mistake," said an Capitol employee.

Science and The Cold War...

In the endless conflicts, military and economic, between this nation and the communist world, science and the scientists are all-important factors. Physics, chemistry, medicine, the higher mathematics, engineering of many diverse types—these are potent weapons in the struggle for advantage.

U. S. achievements in scientific fields are legendary. Our scientists, and those of friendly Western powers, have done the unbelievable almost as a matter of routine. Our educational plant knows no superior so far as the sciences are concerned. Yet a shortage of qualified men has developed in some basic lines, such as chemistry. And that development is seriously troubling those who best understand the need for ever-greater scientific discovery and achievement—not only in the interest of progress but of survival.

In the light of this, an article on Soviet Science which appeared in a recent issue of Foreign Affairs is of significance. Written by John Turkevich, Professor of Chemistry at Princeton, it briefly traces the history of Russian science since it began under Peter the Great. At first, the scientists had to be imported from the West, Russia having none of her own. Then, over the years, Russia developed native scientists, though few were outstanding. However, D. Turkevich writes, the 20th century opened with a good deal of promise, and up until World War I, the Revolution, and the Civil War, marked progress was made.

These bloody events set the clock back on Russian science. But the Communist regime soon saw the need for a resurgence of scientific education and training, in order to advance the social and economic goals of the state. Dr. Turkevich states, "In the Marxist thinking the control of the state cannot be separated from the control of economic production... To its adherents, Marxism is a total philosophy and as such includes a philosophy of science."

Today science is a highly organized arm of the Soviet government. The President of the Academy of Sci-

ences has a rank equivalent of that of a major cabinet minister. The top Soviet scientist is given many benefits—high pay, a country home, an automobile. Soviet scientific publications are excellent, and what goes on in other nations is carefully observed, studied, and reported. Every effort is given to recruiting the brightest young men and women into scientific work, and the state meets the bills. The party and the government, to quote Dr. Turkevich again, "are doing their utmost to build up a large pool of highly trained scientific and technical personnel."

This doesn't mean that all is well with Soviet science and scientists. Ideological considerations have sometimes been used to channel scientific thinking and experiment, with ludicrous results. But it is obvious that Soviet scientific progress has been notable, and that nothing is being spared in the drive to attain world leadership. The job of this country and the West, obviously, is to keep the lead in the race.

Interesting Items of News Gathered From the Files of the Avalanche of 23 Years Ago.

23 Years Ago—January 21, 1932

Boyne City dropped the green-clad Northern Lights basket-tossers, representing Grayling, for a dismal 35-15 set back, in a game staged on the Boyne City court Tuesday night. There was no doubt about what was taking place in the minds of anyone as the Red and Black cut their way to a decisive win. Coach Cushman used nine men in vain effort to halt the progress of the Boyne sagging experts, but the veteran team of Coach Brotherton was too strong, and clearly demonstrated why they have won the reputation they hold. Sanderl, Fox and White lead their attack, and the latter pumped in seven field goals, most by as the result of beautiful one-hand shots that make him a dangerous threat in any Class C competition. As a matter of fact, Cheboygan, Class B, took an overtime to win from them 19-18, and the three men named here are all veterans and seniors. With their fine zone defense Boyne can cope with any team in this section regardless of class of school. The fastest game so far this season was played Friday night when West Branch defeated Grayling by 33-12 score. It was a rough game, several men going out on fouls. It was one of the most exciting games this year. West Branch took the lead and held it throughout the entire game. Grayling closed in on them two or three times but West Branch outpointed them.

Grayling lost one of its oldest residents and most estimable ladies in the passing of Mrs. Ella McIntyre, whose death occurred at Mercy Hospital Monday morning at 7 o'clock after a short illness.

THIS WEEK'S RECIPE

Saltbush Steak
(Serves 6)

4 strips bacon
1/2 pounds ground beef
1/2 pound ground pork
1 tablespoon chopped onion
1 tablespoon minced green pepper

1 tablespoon chopped parsley
1/2 teaspoon salt

Chop bacon and mix lightly with meat, green pepper, parsley and seasonings. Shape into cakes and place them three inches below broiler heat. Broil 12 minutes, turning once.

If you feel you would like to en-

rich your salads a bit when you're on the light side, garnish with deviled eggs to which you've added a bit of deviled ham when you're blending the cooked yolk mixture.

Your family will like a kidney bean salad with soup for a tasty luncheon. For the salad use canned drained beans with chopped onions, crisp bacon, pickle relish and

lettuce.

Have some leftover roast pork?

It makes into a nice luncheon

sand when combined with apples and celery. Serve with tart may-

onnaise.

Frederic News

Word has been received from Mrs. Charles Post that she is enjoying her stay with her daughter and family, Mr. and Mrs. Frank Madill, and is able to understand the local people there much better than she could when she first arrived.

The Frederic Home Extension met at the home of Mrs. Shirley Steele last Thursday. They were unable to discuss further plans for the coming year as there were not enough members present.

Mr. George Lodge was taken to Mercy Hospital Friday morning following a heart attack and isn't too well at this writing.

Mr. C. S. Barber is better at this

Frederic 4-H meeting will be held January 20 at Carol Lodges home right after school. Everyone is welcome.

Mrs. Elroy Barber and Mrs.

Allan Stephan and daughter

spent Thursday afternoon in Roscommon visiting at the Herman Best and Win. Moulin houses.

The first semester of the 1954-55 school year will end on Friday.

The P. T. A. will have a chicken supper on Saturday from 6:00 to 8:00. A carnival will be held along with the supper. A fish pond, popcorn and candy stand, baked goods stand will be among the many items of interest.

Mrs. M. T. Harris and granddaughter, Shannon, spent Friday night in Flint with Mr. Harris and then all proceeded to Detroit to Mrs. Lyle Crawford's place where a dinner was held in honor of Mrs. Harris' birthday. All the six children and four grandchildren were present. While in Detroit Mr. Harris' car was broken into and a suit case and several other articles were stolen. Mrs. Harris returned from Detroit and Flint Monday and son, Jim, returned with them to spend two weeks before entering the Detroit College of Applied Science.

Mary Barber, Carolyn Sims, Ruth and Shirley Sparks, Loretta Cox and Rose Mary Alma enjoyed a birthday party for William James, grandson of Mrs. C. Pratt. The party was held at the Johnson residence and a good time was had by all.

S/Sgt. Edward Dean Tobin arrived Saturday from Korea. He stopped over in Amarillo for his wife and daughter. He has been honorably discharged having spent four years in the Air Force.

John Madill and Emerson Shaw of Flint spent the weekend at the Charles Madills and enjoyed

skiing at Waters.

Charles Madill is much improved and back to the job again.

Mrs. John Parsons of Rogers City and Mrs. Alberta Tahonen

and Marty were visiting at the Bay Murphys.

The monthly meeting of the Mardi Gras will be held at 8 P. M. at the Town Hall, Thursday evening, January 20th. All members are urged to be present.

Enrollment May Be Made in Home Study Courses at Any Time of Year

John A. B. MacAuley, Crawford County superintendent of schools and chairman of the Kwanza Club of Grayling's vocational guidance committee, has pointed out to the Crawford County Avalanche the advantages of correspondence courses. Quoting Mrs. Alfred O. Lee, supervisor of the Correspondence Study Department of the University of Michigan, Mr. MacAuley pointed out that one big advantage was that enrollment in a course could be made at anytime the student decided to take such a course.

Frequently, those interested in using home study courses are under the impression that they must enroll at the beginning of the school semester, Mrs. Lee adds. This is not true. Registration may be made whenever the student is ready.

Another advantage is that lessons may be sent in at the student's convenience. It is recommended, however, that a minimum of eight weeks be allowed for the completion of a course. A student is allowed up to a full year from the time of registration to finish his course. After that, an extension of time may be arranged for a \$3.00 fee.

Correspondence or home study courses offer opportunities to many groups of students. They are available to those who for some reason cannot attend high school, college, or adult education courses.

For instance, a high school student or an adult may pick up needed courses through this method of study, working on one or more as his time and interest permit. Many adults, who for some reason left school before finishing the high school program, use this method of acquiring a coveted high school diploma. The high school courses offered by the Correspondence Study Department carry a student through the four years of required and elective courses needed for a diploma. But, Mrs. Lee cautions, students must make arrangements with their local high school in order to receive a diploma, since the University of Michigan cannot award one.

Many students still in high school use home study courses to meet college entrance requirements or to make up lost credits, Mrs. Lee reports. In fact, the high schools themselves often enroll students for these reasons, all 59 of the high school courses offered by the department being used by one or more schools at the present time.

Young men who are interrupting their education to enter the armed forces may also use correspondence study courses to acquire high school and college credit as they

serve their country. A college student in military service may complete two semesters of work toward a degree through college level courses offered by the Correspondence Study Department. A student not in military service may complete only one semester's work, however. The college level courses cover most of the freshman work offered on the campus and there are several more advanced courses in business administration, education, and engineering.

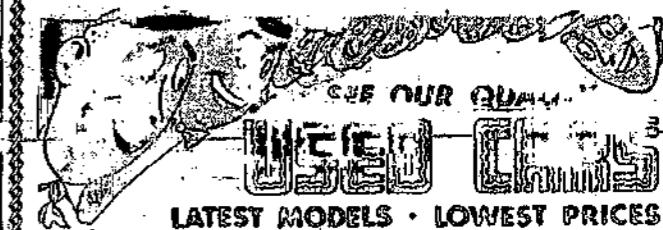

Still another group of students who find opportunity for continued

study through these courses are the ill or handicapped, confined to sanitarium or home for long periods. A number of such persons have in the past finished high school or college programs and earned their diplomas or have developed skills in shorthand, typewriting, or engineering drawing. Still others study for mental stimulation afforded or develop a new vocation, such as

housework. At the present time the Efficient Cleaning course is gaining in popularity among adults who wish to improve their reading skills.

Bulletins describing all classes offered and containing information about registration, fees, and credits may be had on request from the U. S. Correspondence Study Department, 14001 Armstrong Building, Ann Arbor.
